Fellow Numismatists,

I would like to take this opportunity to invite you to the SCNA's 50th Annual Convention at the Greenville Convention Center Conference Hall in Greenville, SC on October 28-30, 2022. There are no longer any stairs to climb or long walks from the parking lots as the show is once again being held on the ground floor Conference Hall at the west end of the Greenville Convention Center. Public access to the show will be via the circle drive entrance on Eisenhower Drive. Signs will be posted to guide you into the parking lots and into the Conference Hall.

Yes, the SCNA is holding the convention. Yes, there will likely be some form of Covid Controls in use. As it stands today, temperature checks will be mandatory and face masks/shields will be strongly encouraged just like last year. The use of wrist bands and signing in to a covid tracing log are not currently planned. The SCNA will reevaluate the Covid-19 pandemic status in August and weekly thereafter with updated status posted on [www.sc-na.org](http://www.sc-na.org). In the meantime, maintain your social distancing, get your vaccines and boosters, and follow all state and federal guidance regarding the pandemic.

This show is fully expected to be a sellout as over 190 tables are already confirmed. 92 Dealers signed up for this convention at the 49<sup>th</sup> SCNA Convention this past October leaving only 16 tables available. The ANA Museum, SC Museum, US Mint, Federal Reserve Atlanta Museum, South Carolina Department of Archives & History have been formally invited. Super Saturday Seminars are booked with all new Seminars!

I would like to point out that our convention is THE TOP numismatic event in South Carolina. We have the absolute best Young Numismatist program and Scouting Numismatics Merit Badge program in the state, hosting upwards of 50 YNs and dozens of scouts on Saturday. The numismatic exhibit program is unquestionably the BEST in the state.

Our SCNA board greatly appreciates your consideration and looks forward to seeing you at the show! If you have any questions or recommendations concerning our show, please do not hesitate to contact me. This is your show as much as it is the SCNA's, your feedback and inputs continue to help make this the best Numismatic Convention in the Southeast!

Many Thanks,

Bill Latour
