50th Anniversary coins will be approximately 39.1mm/1.5394in. or size of "Ike" Dollars, and are expected to be available by the 2022 SCNA Annual Convention.

Three coins are planned: One in a 1oz .999 Silver; one in Bronze; one in Wood. All coins will look the same. 50 of each (Silver/Bronze) will be slabbed and numbered. First five sets of coins will be auctioned as sets. Other certified groups and uncertified units will be offered for sale. Obviously, wooden examples will not be numbered or offered certified.

Depending on the price of silver at the time of order, there will be no less than 100 of each coin and no more than 200 metal coins (silver and bronze).
