Bourse Chairman's Message

Greetings to all Fellow Collectors,

Welcome to the 44th Annual South Carolina Numismatic Coin Show and Convention. We are happy to have you at our convention and hope that your visit will be both enjoyable and profitable. We have a large variety of numismatic dealers here, with a wide range of coins, medals, tokens, and paper money for sale. I feel sure that everyone can find something for their collections, whether your budget is large or small. If you are here to sell coins, I am also sure that you will find multiple dealers interested in buying what you have to offer. We also have two numismatic grading and authentication services at our show - ICG and ANACS. Either one will be offering free verbal opinions on the grade or authenticity of your coins, and will also be glad to take submissions for encapsulation.

We endeavor each year to have an educational aspect to our convention, and hope that you will take some time to check out our exhibit program or the educational seminars on Saturday. (See elsewhere in this program for times and places.) Our Young Numismatist program is very popular and is open to all young collectors free of charge. This year we will be adding a Boy Scouts Merit Badge program on Saturday. We hope that this new program will be a huge success and that it is something that we can continue to offer in the future.

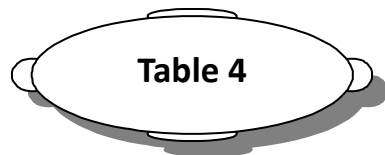

Last year we were fortunate to have at our convention a sales booth from the United States Mint. The Mint offered a wide array of numismatic products and we hoped that they would return this year. Unfortunately budget constraints forced the Mint to cancel their plans to attend our show. Perhaps next year they can return.

The SCNA, however, will be offering one of the Mint's new products in a program offering specially graded and encapsulated proof examples of the 2016 South Carolina "America the Beautiful" Quarter. Two hundred examples of South Carolina's very own quarter have been serially numbered and are being offered for sale at the registration booth. Stop by the front door and get your own memento honoring Sergeant William Jasper and Fort Sullivan.

One other interesting program will be offered by the Confederate Mining Company. They will be manning a table which describes the gold mine the company operates in Abbeville County and will also be demonstrating the procedures involved in striking coins by hand.

Please note that if there is anything that our staff can do for you while you are here, please let someone at the front desk know. We hope you enjoy your visit and will look forward to returning next year.

Regards,
Tony Chibbaro
SCNA Bourse Chairman

Erik Larson
President SCNA
Welcome Letter

On behalf of the South Carolina Numismatic Association, I want to welcome you here to Greenville for our 44th Annual Convention. The SCNA hopes that you are able to add that missing piece to your collection, enjoy the educational opportunities and network with fellow collectors and dealers attending. Planning for this event takes a large amount of volunteers and hours to be able to have a quality collectable show with a large selection of dealers. Employees at the Fort Moultrie historic site on Sullivan's Island will hold educational seminars in anticipation for the November release of this Fort Moultrie quarter by the United States Mint, along with 90+ dealers specializing in different areas on numismatics will offer many exciting opportunities to enhance your collection. Please also check out the exhibits and take in one of the free educational seminars for children and adults, including opportunities for Boy Scouts to earn their merit badge for coin collecting.

Erik

The SCNA is celebrating our own South Carolina America the Beautiful quarter by offering graded proof silver and clad Fort Moultrie 2016 quarters at the convention.

A total of 205 will be available: 180 silver and 25 clad. These proof issue quarters will be graded by ICG and numbered 1-205. An individual may purchase a maximum of 5 quarters but only one clad quarter per person due to limited number. The SCNA board will sell via silent auction serial numbers 1 to 5 of the silver and clad graded proofs during the convention.

The cost of these special edition graded quarters is \$25.00 for the silver proof and \$5.00 for the clad proof.

See a Board Member for more information.

The South Carolina Numismatic Association has designed a new YN gift certificate that is based on a vignette of Fort Moultrie. The Fort Moultrie vignette was featured on two Bank of the State of South Carolina notes; the 1862 fractional 50 cent and 18xx 4 dollar note with Robert Hayne and Landon Cheves. This vignette is historical to our state this year as the ATB South Carolina quarter is launched this Fall. Information regarding the launch can be found of page 12 of this issue of the Scanner.

These unique gift certificates change every year using another famous or interesting note from the past. The idea behind these gift certificate notes is to make something unique and collectible for the youth and public. Single notes will be awarded to the YN Exhibit program winners and other YN program participants. Each note will have a 2016 series # and serial number. These notes may be used like cash at the Dealers tables by the YN's at the 2016 SCNA convention.

Dealers who accept these from YN's can redeem them at the front desk, or keep them as a souvenir. Three note proof sheets will be available at the front desk for \$10.00 each. A limited number of proof sheets will be available for the public to purchase. All proceeds from the sales of the proof sheets will benefit the SCNA YN programs. Thank you for your support of our youth in the hobby.
